Afraid of Ghosts

Many people are afraid of ghosts. Few people are afraid of germs. Yet the ghost is a fancy and the germ is a fact. If the germ could be magnified

the form is a fact. If the ferm could be magnified to a size equal to its terrors it would appear more terrible than any fire-broathing dragon. Gasms can't be avoided. They use in the air we breathe, the water we draft.

The ferm dan only prosper when the condition of the system gives it free soope to establish itself and develop. When there is a deficiency of vital force, languor, restlessness, a sallow cheek, a follow eye, when the appetite is poor and the sleep is broken, it is time to guard ngainst the ferm. You can fortify the body against all ferms by the use of Dr. Pierce's Golden Medical Discovery. It increases the vital power, cleanses the system of clogging impurities, enriches the blood, puts the atomach and erganist of digestion and nutrition in working condition, so that the ferm finds no weak or tainted spot in which to breed. Golden Medical Discovery "contains no alcohel, whisky or habit forming drugs. All its ingredients printed on its outside wrapper a friend with a record of 10 years of cares. Accept no substitute—there is nothing "just as good." Ask your neighbors.

sorry for it—when nervous or chronic dyspepsia resulted, and you could see Kodol digesting every they have not been able to cure it. particle of food, of all kinds, in the Dyspepsia.

Everyone is subject to indiges-tion. Stomach derangement follows stomach abuse, just as naturally and just as surely as a sound and healthy stomach results upon the

taking of Kodol. When you experience sourness of stomach, belching of gas and nauseating fluid, bloated sensation, gnawing pain in the pit of the stomach, heart burn (so-called). diarrhoea, headaches, duliness or chronic tired feeling-you need Kodol. And then the quicker you take Kodol-the better. Eat what you want, let Kodol digest ft.

Ordinary pepsin "dyspepsia tablets," physics, etc., are not likely to be of much benefit to you, in Kodol is prepared at the labora-digestive allments. Pepsin is only tories of E.C. DeWitt & Co., Chicago.

Use Kodol and prevent having glass test-tubes in our laboratories, you would know this just as well

as we do. Nature and Kodol will always cure a sick stomach-but in order to be cured, the stomach must rest.
That is what Kodol does—rests the
stomach, while the stomach gets
well. Just as simple as A, B, C.

The quickest and surest remedy yet found for the cure of liver trouble or any of its symptoms is Dr. Caldwell's Syrup Pepsin, the great herb laxative compound. This wonderful remedy is not only a laxative, but a tonic as well. It will start the flow of gastric juice, thereby soon enabling the liver to do its work naturally. A bettle of this great liver remedy can be bought of any druggist for 50 cents or \$1, and in many cases a single bottle has cured a chronic case.

For example, John W. Lee, 619 S. Pennsylvania ave. Indianapolis, Ind., had a stubborn and very long-standing case of liver trouble, with pimples, blotches, jaundice, etc., and it cured him. Mrs. B. Flinchum, Jackson, Ky., says the same of it. Thousands of families keep it in the house against just such an emergency, as you can never tell when some member of the family will need a good laxative.

In order to have you or any other sufferer from the liver make a test of Dr. Caldwell's Syrup Pepsin without personal

ferer from the liver make a test of Dr. Caldwell's Syrup Pepsin without personal expense. Dr. Caldwell will send you a free test bottle if you will send your name and address. The sample will show you how pleasant it is to take, how gently it works. It will start you on the odire of your trouble and convince you that you have found a cure. That is the object of the sample, and the doctor urges you to send for it today.
